BMSS
BRITISH MASS SPECTROMETRY SOCIETY

Dear Partner

The BMSS is acutely aware that the Society's Annual Meeting cannot function without the generous support of our partners.

I would like to invite you to engage with us to pursue options for your participation at the Society's 43rd Annual Meeting. We are open to intriguing suggestions to facilitate your business development within the UK Mass Spectrometry community. We understand that we have to deliver value if we are to prevail. My BMSS colleagues and I are committed to working with you to make BMSS43 a great success for your organization.

We are architecting an innovative scientific programme over three days. The science will be complemented by a vibrant social programme.

We hope that you will engage with the British Mass Spectrometry Society again this year. Please do not hesitate to contact me for further information or to discuss sponsorship options. Booking instructions can be found towards the end of this document.

With best wishes,

Lindsay Harding
