

**The 40th BMSS
ANNUAL MEETING
RNCM MANCHESTER UK
03-05 SEPTEMBER 2019**

EXHIBITOR GUIDE

In 2019 we are returning to Manchester, a very fitting location, for the 40th BMSS Annual Meeting. To celebrate this milestone we have included a special social event with live music performed by graduates of the Royal Northern College of Music.

A vibrant national mass spectrometry society is in everyone's interest... academia, industry & vendors alike, so I warmly invite you to join us for the BMSS40 celebrations. In 2019 we are collaborating with the British Society for Proteome Research and I extend a very warm welcome to all BSPR members.

BMSS ...*the world's first mass spectrometry society!*

BMSS40

...Location, Location, Location

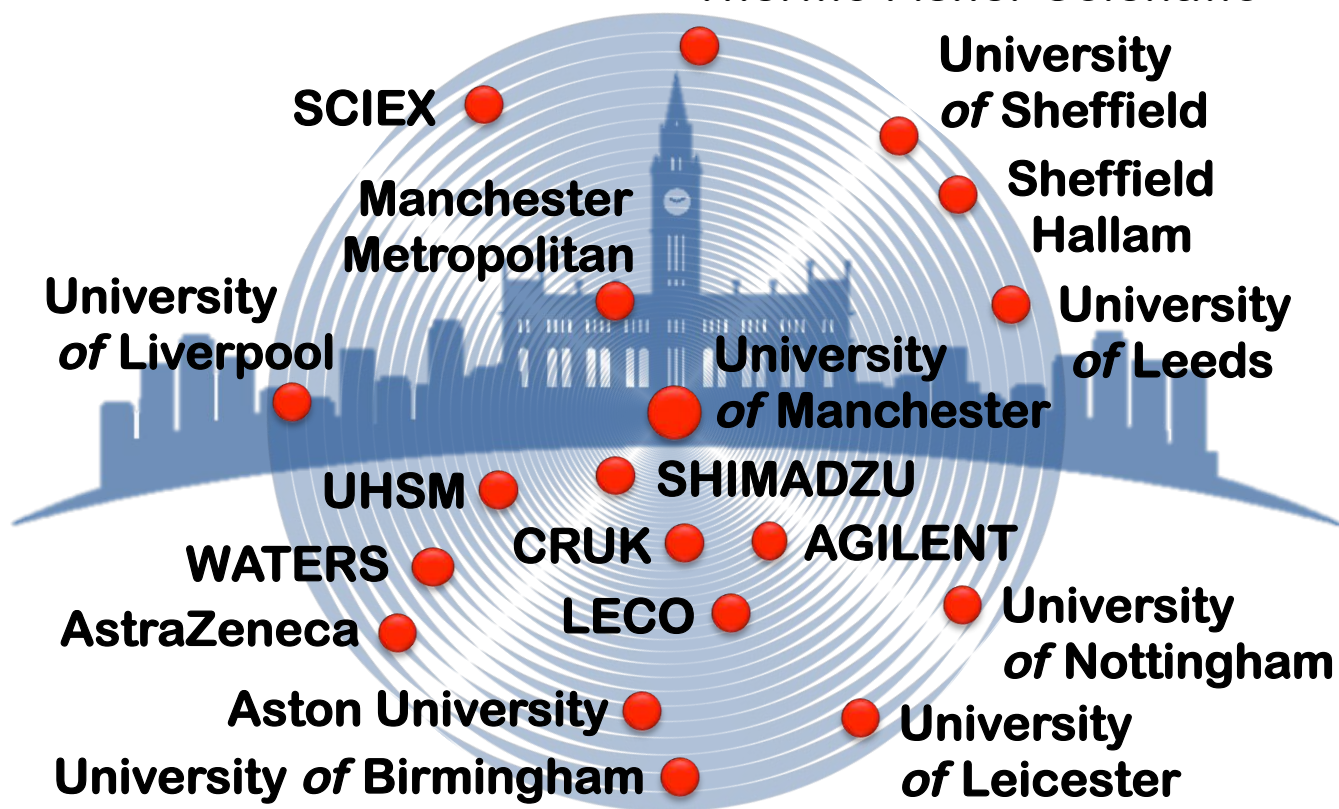

Manchester

Manchester is the natural location for the 40th BMSS Annual Meeting. John Dalton, J.J. Thompson & James Chadwick were all born, educated or worked in the city. The first commercial MS instruments were developed in Trafford Park, and today Manchester is the anchor point for one of the largest MS clusters in Europe !

Mass Spectrometry

The universities of the region and their associated institutes and hospitals form a network of MS excellence. Most of the major instrument companies have facilities in the region together with numerous service providers.

The 40th BMSS Annual Meeting...

The Conference Venue

The Royal Northern College of Music (RNCM) will provide a stunning modern setting for the 40th BMSS Annual Meeting. Conveniently located on Oxford Road, at the heart of Manchester's University Quarter, and well connected by public transport.

The RNCM provides excellent lecture theatres. The main concourse, tiered over three interconnected levels, will host the vendor exhibition. The RNCM's grand public spaces will provide an architecturally impressive backdrop for interaction with fellow delegates and the Curry Night Social.

The Curry Night Social

Manchester's affair with curry began in the 50s. In the 80s & 90s the 'Curry Mile', in Rusholme, became the epicentre for food from the Indian subcontinent. In its heyday the curry mile offered mainly north Indian, or Punjabi, cooking. In recent times south Indian, typically Keralan, style food is becoming popular throughout the city.

The BMSS40 Curry Night & Social Evening, at the RNCM, will continue the affair! Live music will be provided by alumni of the RNCM.

BMSS40

...and Social Program

The Conference Dinner

The Hall of Fame at the core of the National Football Museum will be the spectacular setting for the BMSS40 conference dinner. Pre-dinner drinks will be served on the mezzanine floors that cascade through the building and overlook the hall of fame.

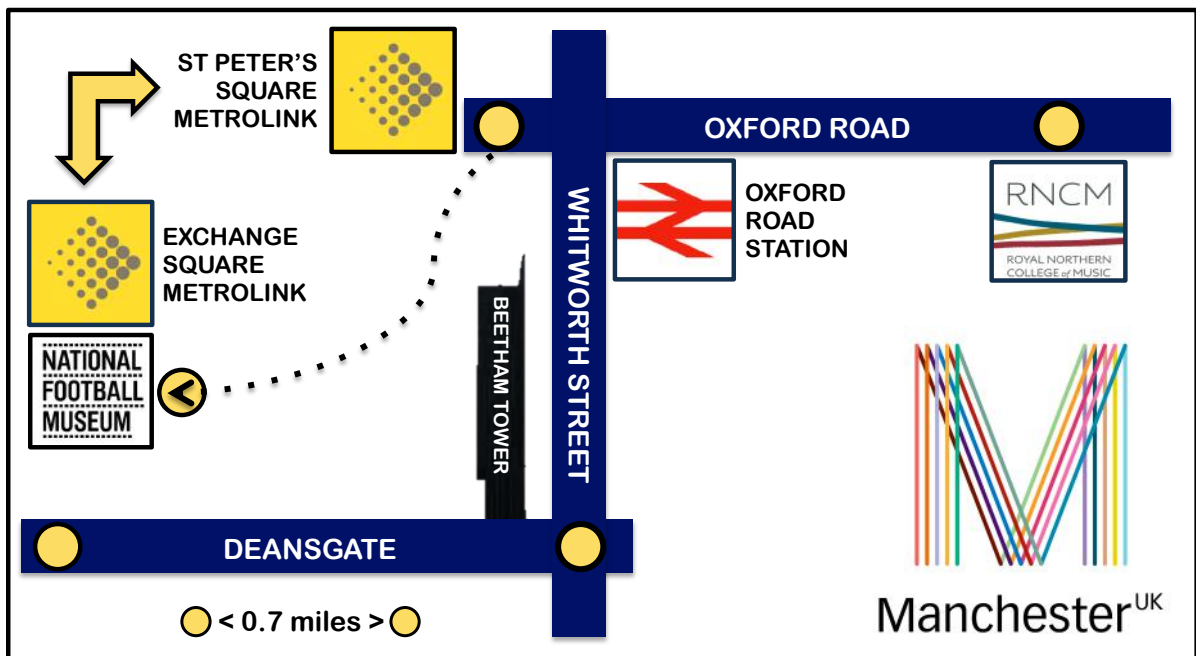

Well Connected

Manchester is well connected to the UK motorway and rail networks. Manchester International Airport is connected to the city center by both direct rail and Metrolink tram services.

Accommodation

The 40th BMSS Annual Meeting coincides with several other major conferences in Manchester. BMSS, through its exclusive accommodation partner **HelmsBriscoe**, have secured a block of hotel rooms at preferential rates for BMSS40 delegates.

MANCHESTER 2019

Major Sponsors' Open Mic Lunch...

Thank You !

The BMSS Annual Meeting would not be possible without the very generous support of ALL of our exhibitors and sponsors.

Our major sponsors contribute support significantly in excess of their costs for exhibiting at the Annual Meeting. To show its appreciation the BMSS would like to offer its top three supporters an innovative and hopefully crowd pleasing way to say thank you...

The Proposition

The Annual Meeting format traditionally accommodates a vendor seminar on Wednesday lunchtime. In Manchester we propose to reallocate this 60 minute time slot equally to the three companies that have given the most sponsorship (exclusive of exhibition fees). This opportunity will be provided at no charge.

The Ground Rules

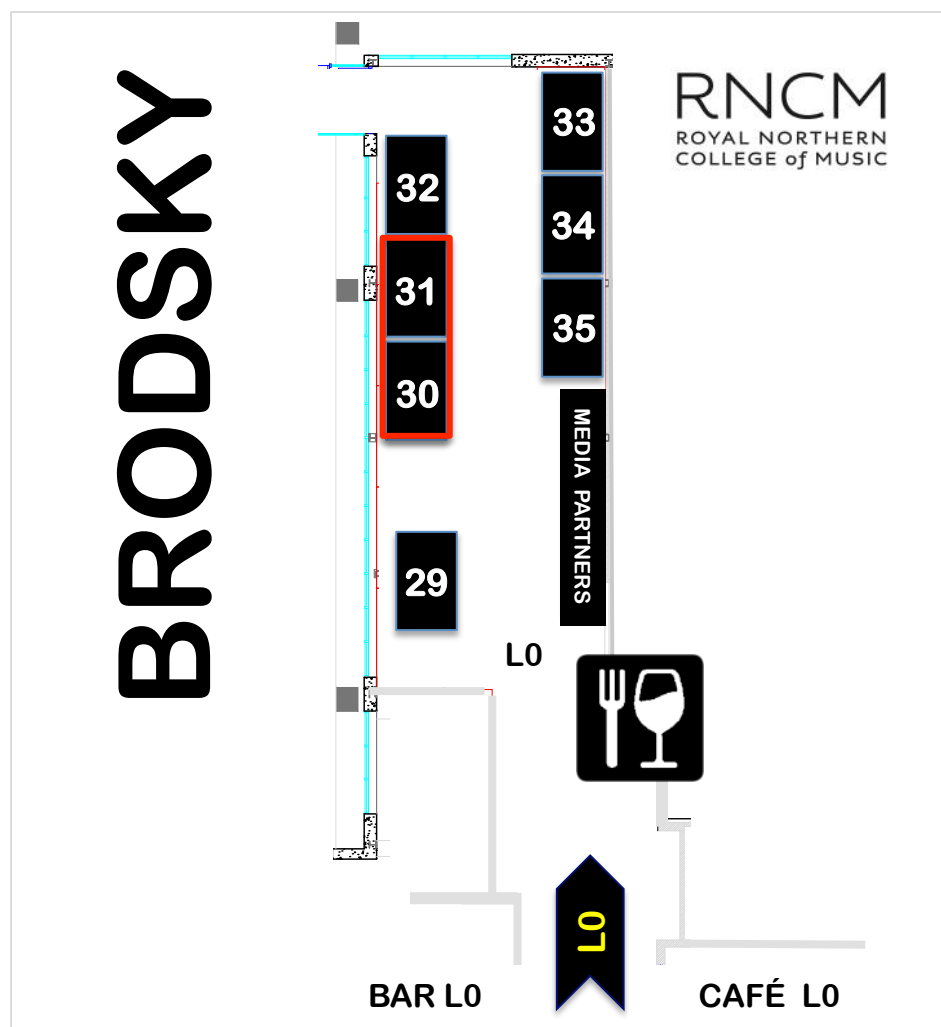

Each qualifying sponsor will have 20 minutes and may structure their contribution in their own way (abstracts are not required). Presenters are actively encouraged to enter into the spirit of the event and season their message with a little good humor!

This is a BMSS event and all presenters are required to maintain professional standards of conduct at all times. Negative selling and/or inappropriate comments at the expense of other members of the MS industry will not be acceptable.

...BMSS40 Exhibition Floor Plan

THE EXHIBITION PLAN:

Set within the three interconnected levels (L0, L1, L2) of the RNCM concourse. The two BMSS40 lecture theatres, and a poster hall, connect directly to the concourse. The Brodsky room connects directly to the café & bar area on L0 of the concourse. Two catering points are located on the upper levels of the concourse L1 & L2. A third catering point is located in the Brodsky room on the ground floor L0. Live music will be performed in the café & bar area of the concourse L0 on the evening of Tuesday 3rd September 2019.

RNCM CONCOURSE

- 1&2: BRUKER
- 3: VRS-Recruitment
- 4&5: SCIEX
- 6&7: SHIMADZU
- 8: KRSS
- 9&10: SHIMADZU
- 11: KR ANALYTICAL
- 12: HICHROM
- 13: PROVIDION
- 14: AGILENT
- 15: BIOPHARMA
PROCESS SYSTEMS
- 16: VERULAM
- 17: ANATUNE
