

Joining instructions BMSS Single Cell SIG

The BMSS single cell SIG 2026 is being held in The Great Hall, King's Building, Strand, London, WC2R 2LS. Your names have been provided to the security team, so please enter the building at the main entrance on The Strand and provide your name to gain access.

Talks

Talk slots are:

17 mins + 3 mins questions for regular oral presentations,

25 mins + 5 mins questions for invited speakers

Please send your slides ahead of the meeting to iSCMS@kcl.ac.uk as either Microsoft PowerPoint or pdf.

Flash Poster Presentations

All poster presenters are invited to present a flash talk on their poster of no longer than 3 minutes (max 3 slides). Please submit your slides to iSCMS@kcl.ac.uk **before 2 October**. We can accept a limited number of presentations during the morning registration period, but receiving them in advance would help with logistics on the day.

Posters

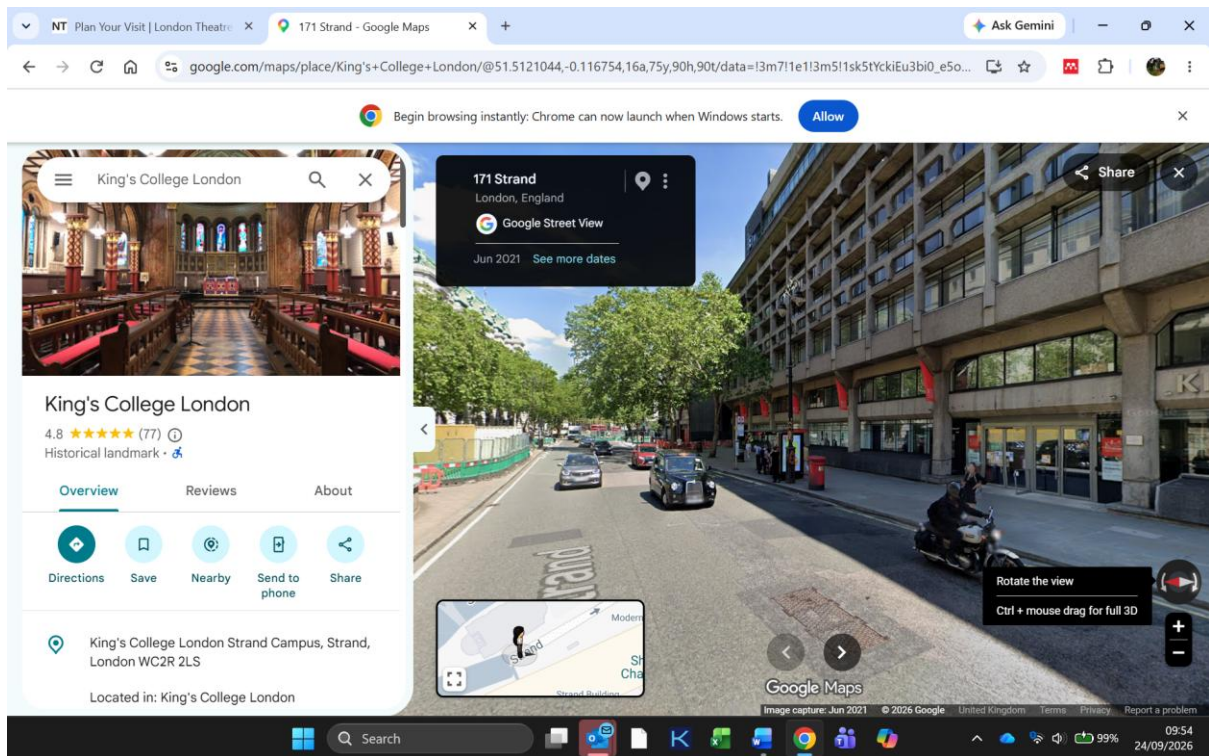

Poster sessions will be held in the River Room (**please see attached map**) of the same building. You will be allocated a poster number, which will be available in the abstract book shortly. Please mount your poster before the lunch break, either in the registration period or first coffee.

Poster boards are 46"/117cm wide and 58"/147cm high.

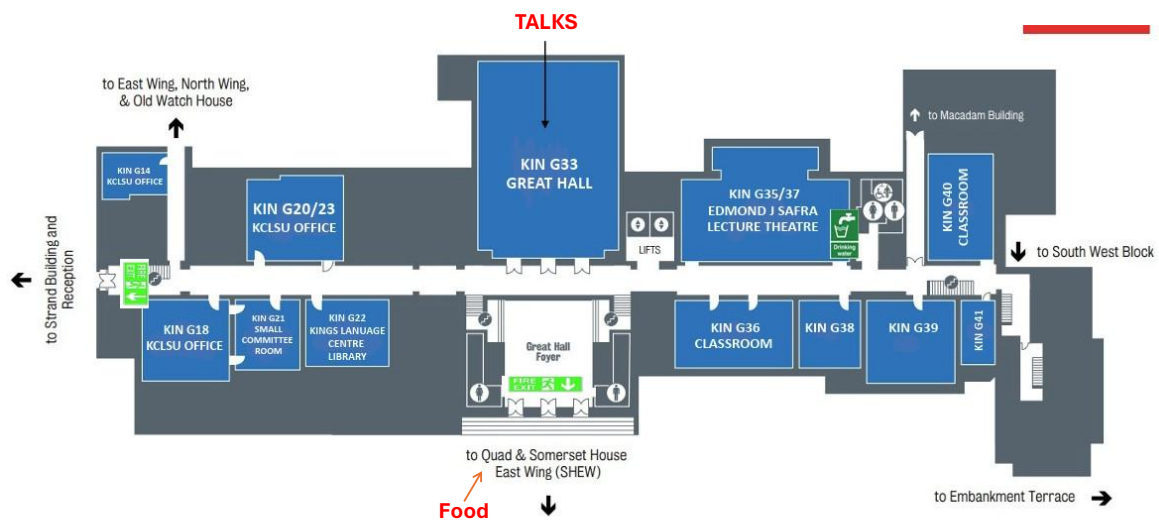

We look forward to welcoming you in London!

Directions to King's Building, Strand. Note that you must use the entrance on The Strand, marked with the red arrows. The other entrances require card access.
