

**Sheffield Hallam University and BMSS Imaging SIG Present:
The Sixth Mass Spectrometry Imaging Symposium**

1st of May 2019, 9:00 to 16:45 at Hallam Hall, Sheffield Hallam
University, S1 1WB

The Centre for Mass Spectrometry Imaging/Biomolecular Sciences Research Centre at Sheffield Hallam University in conjunction with the British Mass Spectrometry Society is pleased to announce the sixth SIG Mass Spectrometry Imaging Symposium.

This event will showcase the latest advances in MS Imaging, featuring presentations from internationally renowned scientists including Professor Per Andrén from Uppsala University, Sweden.

Previous events have attracted over 100 delegates from academia and industry. To register for this event please click [here](#).

We are also offering an open call for oral presentations and posters, with a special oral presentation section for current PhD Students. To be considered for an oral presentation or poster, please submit your abstract to Dr Jamie Young (jamie.young@shu.ac.uk) by the 2nd of March 2019. Successful applicants will be notified by the 9th of March. Abstracts should be no more than 150 words in length, and include the title, authors and affiliations. Please also notify us if you wish to be considered for an oral or poster presentation.

Exhibition and Sponsorship packages are also available. For more information please contact Dr Jamie Young on 0114 225 2943 or jamie.young@shu.ac.uk .
