Your Faculty Student Services Office acts as a 'hub' for all matters to do with programme management. They also handle assessment and awards matters between students and academic staff.

STUDENT LIFE MENTORS

If you're a first-year student living in University accommodation, you will be automatically allocated a student life mentor who will visit your flat weekly until Christmas, then every other week from Christmas until Easter. If you are not living in the residences but would like to speak with a mentor please just get in touch and we will happily arrange this for you. Our mentors are current students who are carefully chosen and trained to support you, so please do ask for help.
